RE: **Taylor Apartments Revitalization Update**

DATE: May 24, 2021

---

We recently learned that the application submitted to New York State Homes and Community Renewal (HCR) for Phase I of the Taylor Apartments Revitalization was not selected to receive an award in this funding round.

Despite this, the Troy Housing Authority and Pennrose, LLC are committed to revitalizing the Taylor Apartments. We are presently arranging to meet with HCR representatives to find out what they liked and what they did not like within our application.

Our plan is to continue to explore funding options so that we can revitalize the Taylor Apartments. This will likely alter the timeline and possibly some of the design elements of what we are planning for the revitalized Taylor Apartments.

As soon as we know more we plan to have a meeting so that we can keep you, our Taylor residents, informed regarding what we are planning for you and your homes. We wanted to let you know about this delay in our process as soon as we could. When we have more information we will schedule a meeting.
