5 Bedroom - 5

The following are considered in the assignment of units: children of the same sex will share a bedroom; children of the opposite sex, both under the age of five (5) years may share a bedroom; children of the same sex that have an age difference of 7 years or greater do not have to share a bedroom; Adults and children will not be required to share a bedroom; foster-adults and children will not be required to share a bedroom with family members; live-in aides will get a separate bedroom. The Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.
