From the desk of the Executive Director

Deborah A. Witkowski

I am extremely excited to report that the Troy Housing Authority along with our Development Partner, MDG are continuing progress with Griswold Heights Reno.

Concurrently, the Troy Housing Authority and MDG have begun renovations for “**Bundle 2**” which includes **Corliss Park, Margaret Phelan, Catherine Sweeney, and Grand Street**. Pallets of construction materials can be seen at our Grand Street location. And if you have visited or live at our Corliss Park location, construction crews are working hard on the roofing and outsides.

Like the Griswold Heights revitalization project, our goal with “**Bundle 2**” is to upgrade the buildings mechanical systems, site landscaping, social activity spaces, and renovate all apartment units.

Along with the excitement surrounding the redevelopment projects, Troy Housing Authority is proud to support various resident programs and activities.

REACT continues to provide food to those who request assistance through their Food Pantry. (Details on the last page)

Septembers’ 911 Memorial and Veterans BBQ at Kane Apartments was a success. Veterans, residents, staff, community police and other officials came together to celebrate our Veterans and Remember those who gave their lives for our country.

This is an exciting time for children who live in Troy Housing Authority. I am beyond ecstatic to be able to work with Rensselaer County on a few programs starting with this summers’ successful Food Nutrition Program. Currently we have a contest with participants age 6 to 18 years for THA’s Fire Safety Poster Contest sponsored by the HAI Group. THA Staff is taking requests for our annual collaboration with Toys for Tots.

Capital Roots & THA

Like many Capital Region individuals, the senior residents at Conway Court face food access challenges but are passionate about gardening.

Luckily, we have a spacious yard with a gazebo and plenty of green that’s perfect for growing fresh, healthy produce!

The Capital Roots Healthy Communities Team, volunteers from Farmers Insurance, THA Staff and Puppy Friend “Noodle” worked hard to build raised beds, filled them with decomposing sticks, fresh compost and planting seeds.

The plant beds are tall for accessibility by our residents at Conway using wheelchairs and mobility devices!
