1. Expand the supply of assisted housing to the fullest extent needed by applying for additional rental vouchers, reducing vacancies in apartments we manage, leveraging private/public funds to create housing opportunities, acquiring new developments, and working with the City to develop a broad-based approach to housing and neighborhood revitalization: We continually apply for VASH and Mainstream vouchers. Modernization of many of our sites have either been completed or are underway. We have built and completely leased up a new Taylor Building containing 141 apartments. We consistently work with the City of Troy and others to leverage funds to create more housing.
2. Improve the quality of assisted housing by assuring that all of our apartments meet/exceed Housing Quality Standards (HQS) and/or (NSPIRE) as determined by independent inspections; attain SEMAP High Performer status; increase customer satisfaction as indicated through retention; improve management functions through site-based management; renovate and modernize our RAD converted properties when funds are available; provide replacement vouchers when this is the most suitable option and explore other HUD initiatives.
3. Increase assisted housing choices by providing voucher mobility counseling, conducting outreach efforts to potential landlords, evaluating and setting appropriate voucher payment standards, expanding homeownership opportunities, and assisting the neediest families in our community by monitoring and amending our preferences as needed. Mobility counseling and landlord outreach continue. Voucher Homeownership has had successes as we continue to promote homeownership. Our preference for applicants in our jurisdiction made homeless through no fault of their own residing in shelters or motels with assistance from RCDSS has helped avoid the trauma of long-term homelessness. We have a ranked preference for homeless vets and 19 PBV units set aside for DV survivors receiving supportive services.
4. Provide an improved living environment by de-concentrating poverty by bringing higher income households into lower income developments, promoting income mixing by assuring access for lower income families in higher income sites, continuing security improvements within our complexes, assuring that tenants understand the expectations of living in a community environment & Public Safety and Lease Enforcement efforts continue; cameras and license plate readers are installed and very effective. Plans are underway for Phase II of our Taylor site designed to offer apartments at a wide range of income levels. We continue to participate in community forums and events and have numerous outside agencies providing services on site. We are smoke free.
5. Promote self-sufficiency and asset development of assisted households by increasing the number/percentage of employed persons in assisted families; providing access to supportive services to improve employability: transportation, day care, education, and job training; provide supportive services to increase independence for the elderly or families with disabilities. Our Family Self Sufficiency and Homeownership Programs remain operational, and we continue to experience successes. We work with Community Agencies to improve tenant life circumstances by making referrals, hosting on-site outreach and on-site programming. We continue to work with the City of Troy on various housing and quality of life initiatives.
6. Ensure equal opportunity and affirmatively further fair housing by undertaking affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability. Undertaking affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability. Undertaking affirmative measures to ensure accessible housing to persons with all varieties of disabilities. The Troy Housing Authority remains committed to carrying out the duty to affirmatively further fair housing. We remain guided by the Analysis of Impediments (AI) to Fair Housing identified by the City of Troy, and we are working toward creating more accessible apartments within our existing developments and in new housing opportunities that arise. We have increased the supply of accessible units and will continue to do so.
7. Take proactive measures to serve the needs of child & adult victims of domestic violence, dating violence, sexual assault, or stalking by notifying all public housing tenants, Section 8 voucher participants and Section 8 landlords of their rights and obligations under the Violence Against Women Act (VAWA); making referrals and collaborate with local service providers (e.g. Unity House, Traveler's Aide, etc.) to help such families obtain services that may enable them to stay in their home away from the person or persons placing them at risk, and taking any necessary legal action to terminate the tenancy of any person committing criminal acts of physical violence against family members or others. Notification to tenants occur in newsletter/flyer and at lease up and recertification regarding issues related to Domestic Violence (DV). We process transfer requests and lease bifurcation promptly and professionally and include a safety agreement. We also continually make referrals to service providers and police as we become aware of DV situations. THA's Lease Enforcement and Public Safety are also mindful of DV issues and address appropriately. DV training, child abuse awareness & response training, as well as suicide awareness & response training have been provided to staff.
